Ticket Benefits

Premium Seating Reservations (After Corporate Sponsors)	Sixth	Fifth	Fourth	Third	Second	First
Early Purchase Tickets/Window Price	√	√	√	√	√	√

A donation is required to purchase season passes with SEACT. Each season pass is valid for 4 tickets redeemable for one or more of the 2021/2022 season performances including *Self Help*, *Elf The Musical*, *An Inspector Calls*, and *Joseph and the Amazing Technicolor Dreamcoat*. Member tickets may be fulfilled up to curtain time if seating is available, however premium seating will not be held. Season passes are SEACT's largest annual fundraiser, ensuring support for the season ahead while offering members the best selection of seating available for each performance. Premium seating benefit is dependent on purchaser response. Season pass holders will receive notice by email when it is time to reserve seating for the next production. You may purchase additional show tickets at the time of your seat reservation at the published window price. Additional benefits may include early reservation privileges on special events, and courtesy ticket exchanges whenever possible. Our program provides premium seating to members in exchange for your tax-deductible gift. If the combination of seating and tickets is not available above, please contact the office (334) 794-0400 and we can accommodate your need. (i.e. ACTOR with 3 season tickets)
